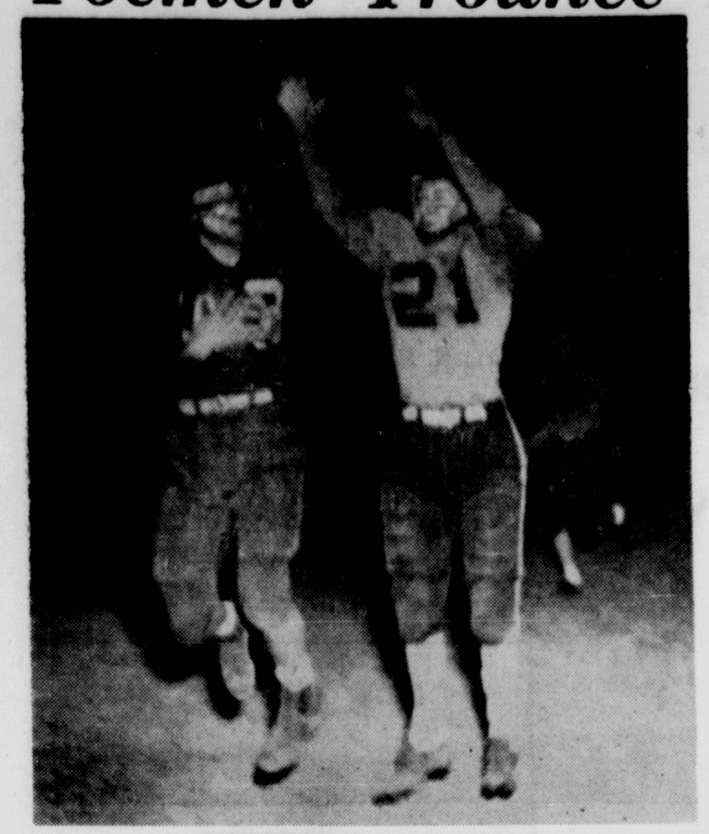
Yoemen Trounce Black Panthers 38-7 In Final 23-AA Tilt



ROSENBERG SNAGS ONE

The Cameron Yoemen gave the Rosebud Panthers a decisive clipping Friday night by scoring in all four quarters of the game.

The first quarter got underway as Rosenberg booted deep into the Panthers territory with Paul Zipperlen returning to the Panther 29. The Panthers started clicking fairly good but took a 15 yard penalty moving them back to their 21 where on fourth down, Zipperlen kicked.

The Yoemen tried a number of line bucks for only small yardage and then received a 15 yard penalty. On the next play Eldon Batte steps back and gives another one of his lofty passes connecting again with Glenn Rosenberg for a TD. Rosenberg added the extra point, score 7-0.

The Panthers started back again but were soon forced to punt again with Rosenberg returning to the Yoemen 28. With Thompson, Rosenberg and Langford carrying, the Yoemen maneuvered the ball down to the Panthers 20. Here the Panthers were penalized 15 yards for clipping. On the next play, Eddy Langford on an off tackle play scampered over for another touchdown, making the score 13-0. The PAT was wide.

Midway the second quarter another TD drive began on the Yoemen 30. On nine consecutive plays the double stripe was crossed again with Lankord, Batte, Rosenberg and Thompson alternating in carrying the pigskin with Eddy again going over from the one yard line. Again Glenn's try for extra point went wide.

Late in the second quarter Frank Pucek was hurt and was taken to the hospital. He played a good defensive game as well as completing two of Zipperlen passes.

On the first Yoeman play from scrimmage after Zipperlen had kicked dead on the Yoemen 42, Lankford on a hand off from Rosenberg started his prancing again and streaked around left end for 60 yards and his third touchdown of the night. Try for point was wide. Score 25-0. This was the only touchdown in the third quarter.

The remainder of the third period was a good battle with the Panthers making two first down with Emmons, Zipperlen, Davis and Allen making the drives. Biskup, Polansky and Logan were lugging at the Panthers line for some nice gains as the period ended, taking the ball down to their 11 yard line.

LANKFORD GETS SWAMPED BY PANTHERS

Thompson stopped for 1-2 yard gain. Biskup knifes through to the four yard line. Thompson rams it on down to the one foot line when on the next play he bulldozes over, makig the score 31-0.

Three minutes later the Panthers were striking for pay dirt with Zipperlen hitting Allen and Litzman with passes. Weldon Emmons cracked the Yoeme line for two nice gains on down to the Yoemen 4 yard line where on the following play he went over the goal line for the Panther's only score. The pass play for extra point was broken up by Batte. Score 31-6.

On the third play after the kick off, Thompson breaks into the secondary knocking down two Rosebud would be tacklers and hammers his way into the celar at the thirty and goes on for the score for a gallant run of 52 yards. Thompson adds the PAT for a score of 38-6.

Late in the fourth quarter Zipperlen faked a punt and Emmons went for a first down on the Yoeme 39. Here the attack soon bogged down as Zipperlen dropped a fourth down pass from center. The Yoemen took over for the last 3 plays of the game with Biskup, Leonard and Polansky making good yardage.

Narvie Caperton Named President Community Chest At Meeting

A meeting for the purpose of reorganizing the Cameron Community Chest was held Wednesday night in the reception room of the Swift Clinic with a number of local civic leaders present.

Stanley Swift acted as spokesman, giving the purpose of the Community Chest and its operations here for the past several years.

He has always taken an active part in the work and support of the organization.

Albert Collins, who has served as president of the organization for the past two years told the group how succesfully other cities in the state had carried out chest drives and how essential the Community Chest is to any community. Other officers present were Henry Siebman, secretary and Mrs. W. O. Triggs, treasurer.

Plans were made for the local Community Chest drive to get underway on Monday, November 19.

Richard Bush and Narvie Caperton presented discussions on how the chest had helped scout work in the immediate area for the past few years and requested a certain amount of the drive this year go for scout activity in the coming year.

A number of others presented worthwhile discussions on the importance of the chest and how vital the work does for such an organization is to any city. The average person does not realize the good effort such an organization puts forth in the community.

Narvie Caperton was elected president for the coming year by a unanimous vote.

Walter Sharpe was named vice-chairman; Mrs. W. O. Triggs and Henry Siebman were both re-elected to their respective position due to efficient work in past years. All officers were elected by a unanimous vote. Appreciation was expressed to Albert Collins for his services to the organization as president.

In attendance were Bill Burns, W. T. Hanes, Jim McKeown, George Childress, John Andress, Albert Collins, Stanley Swift, Walter Sharpe, Narvie Caperton, Dr. Gus Evans, Jr., Mrs. W. O. Triggs, Richard Bush, Henry Siebban, and Max McClaren, representing the Cameron Herald.

Glass Sets Opening Sunday

The major attraction scheduled in Central Texas for this weekend is the formal opening of the new Show Room at Glass, The Florist, at 505 North Travis.

The new addition to this well known established firm has been under construction for the past several months. Completion and final details will be arranged for "Open House" which is scheduled for Sunday, November 18, from two-thirty to five p. m.

The Glasses, Lester, Hallie, Esta and Donald are being congratulated here and over the state for the success they have attained in their profession. They are known and recognized over the State for their artistic ability in floral arrangements and designing.

In connection with the new show room, the firm has built new office space and other facilities. Glass, The Florist is one of the most modern and well equipped florist shops in Central Texas.

The main show room is augmented and made unusually beautiful by four large, snow white columns with circular graduated levels for display bases where arrangements of potted plants, etc, are uniquely displayed to advantage.

Adjacent to the new show room

(Continued From Page One)

are the huge green houses where a gorgeous, array of beautiful mums, the finest grown in the country can be seen. The Glasses are widely known for their ability and culture of these lovely flowers.

Provisions are being made for the formal opening to have some one on hand to enable visitors to view the green houses and see at first hand these gorgeous mums in white, orchid, yellow and bronze colors. Visitors from all sections of the country annually visit Glass, The Florist, to see their flowers.

Glass, The Florist, has been a leader in its chosen field for a number of years. The Glasses along with the efficient staff of assistants are being commended upon the progress and accomplishments they have made through the years. Employees who have been with Glass, The Florist, for a number of years and hold responsible positions are: Miss Betty Mae Thompson, Mrs. Eleanor Thweatt and Woodson Nolte.

In commenting, the Glasses stressed one point, "your presence at our formal opening and the good will of everyone is our sincere desire."

The public is extended a most cordial invitation to attend the open house next Sunday.

Safety Director Warns Motorists Of Responsibility Law

Austin, November 3.—Public Safety Director Homer Garrison, Jr., reminded Texas motorists this week that their licenses to own or operate an automobile will be suspended if they are involved in a traffic accident and fail to meet damage claims up to $15,000 when the state's Motor Vehicle Safety Responsibility Law becomes effective on January 1.

The operator of every motor vehicle that is involved in an accident resulting in death or injury to a person, or property damage to any one person exceeding $100, must file with the Texas Department of Public Safety a new report in addition to the regular accident report that is now required by the State's Uniform Traffic Law. The regular accident report must be filed within 24 hours, but motorists have up to 10 days to file the new report form. Both reports are mandatory regardless of who caused the accident.

Director Garrison pointed to the rapidly increasing number of traffic accidents and public indignation over the failure of motor vehicle owners and operators to pay for the damage they cause through negligence as the reasons that prompt the legislature to enact the law, which closely follows safety responsibility statutes in 34 states in the union. He declared the law's primary objectives were to owners or operators who do not meet just damage claims resulting from accidents and to put chronic accident causers off of the highways permanently

Service Stations Have Official Law Leaflets For Texas Motorists

Austin—Texas motorists were urged today by Public Safety Director Homer Garrison Jr., to apply to any gasoline service station for a copy of the state's official leaflet about the new Motor Vehicle Safety Responsibility Law, which becomes effective on January 1.

"This leaflet was prepared," Director Garrison said, "to give automobile owners and operators the information they should have concerning this law before it goes into effect. It can be read in five minutes. I hope, of course, that all motorists will really study the facts that are set forth in the leaflet and will keep it in their car for future reference in case they have an accident and are confused about what to do.

"It does not attempt to cover all of the provisions of the law and carefully avoids legal language so that any layman may understand it easily. It was written to help the great majority of motorists—private passenger car owners and operators and small business firms op erating one or two delivery cars. The larger owners of motor vehicles, of course, will want to study the entire law in greater detail.

The leaflet is free and rovides important information about the following subjects: what the law is, who it affects, what to do after an accident the circumstances that require suspension of both operating license and registration plates, and the several means the law provides for avoiding this penalty.

"Any motorist can obtain one or several merely for the asking. It may save them a lot of trouble, expense and inconvenience."

Mrs. Ray Burke Making Progress After Operation

Mrs. Ray Burkes has been a patient in St. Edward Hospital for the past several days.

It was reported that she is resting satisfactorily after undergoing surgery Tuesday, November 6. She will have to remain in the hospital for several more days, however her friends will be glad to learn she is making considerable progress.

Group Makes Tour Of County Viewing Autumn Scenic Beauty

Mrs. S. W. Watterson, Mrs. L. E. Thompson and family recently made a tour of the eastern and southeastern part of the county viewing the autumn scenic beauty.

Mrs. Watterson said the red hue of thhe Black Jack leaves, the yellow of the Hickory and the orange of the Oak mingled with an occasional Cedar tree was one of the most beautiful sites she had witnessed in that section of the county.

The view around Gause and Hanover was particulary beautiful, Mrs. Watterson added. Sunday drivers will no doubt want to drive down and see this wooded area of the county since the recent frost that has caused the leaves of the various trees to turn on their array of beauty.

Mr. and Mrs. Parker Lane and Mr. and Mrs. Earl McFarland attended the Cameron-Rosebud foot ball game in Rosebud Friday night.

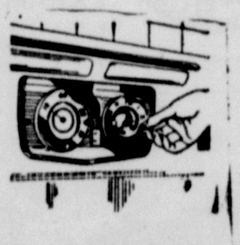
AUTOMATIC GAS RANGE Sale NOW ON!

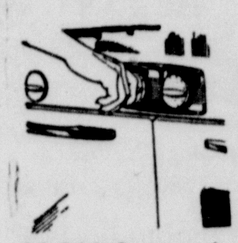
you just know she has an automatic Gas range



COOL! Automatic clock control cooks an entire meal in oven while you relax where a cool breeze is blowing.

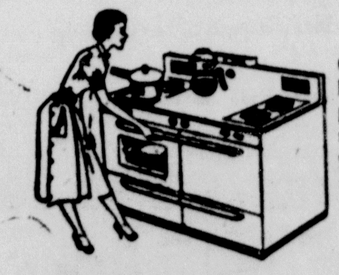
COOL! Exact heat. Dozens of heats to cook with—not just a few factory-set heats. Exact heat means less waste; a cooler kitchen.

COOL! Instant shut-off. When Gas is off, it's off! Burners cool quickly; no long-lingering heat pours into your kitchen with Gas.



COOL broiling. Heat pouring out an open door? Never! Automatic Gas ranges broil with broiler door *tightly* closed.

COOL! Gas cooker well cooks a full meal on one burner instead of three pans on three burners. Less fuel used. Kitchen's cooler!



COOL baking. Many layers of insulation packed around five sides hold the heat where it belongs—inside the oven.

it's cool

Cooler cooking alone is reason enough to get a new automatic Gas range. But if you needed another reason you can find it in a new Gas range's record for economy.

An automatic Gas range costs up to $100 less than any other automatic range. There's no installation charge (saves you $25 to $50). And gas is cheaper to cook with (saves you $15 to $35 a year).

If you act now you save still more money. It's Old Stove Round-Up *Trade In Sale* time at most Gas Appliance Dealers and Lone Star Gas Company! See your Dealer or Lone Star Gas Company for special values.

Temple Man Named Advisor; Milam Included In Area

Keifer Marshall, Jr., Temple insurance man has been appointed area campaign advisor for six Central Texas counties surrounding Temple in the 1952 March of Dimes campaign, Lloyd Gregory of Houston, State Chairman, announced today.

As campaign coordinator for these National Foundation for Infantile Paralysis county chapters, Marshall will work with Bell, Burleson, Burnet, Llano, Milam and Williamson Counties in their January 2-31, 1952 fund raising activities.

Accepting the appointment, Marshall noted the high cost of continuing treatment for previous patients. Almost half of the patients receiving financial assistance from the March of Dimes organization this year will be persons who contracted polio before 1951, Marshall said. Marshall estimated that the 1952 March of Dimes will be mortgaged for $5,000,000 before a single cent is raised.

The objective of the nation-wide campaign, which is the National Foundation's sole source of revenue, is to raise sufficient funds to carry out the March of Dimes pledge that no polio patient need go without treatment because of lack of funds, and to continue the national epidemic aid, professional education and research programs.

A pre-campaign meeting for the counties named above will be held in Temple November 16 for planning purposes.

File Claims Before End Of November

Some persons in the Austin area have lost money by not filing their claims, according to James B. Marley, manager of the Austin Social Security Office.

James B. Marley explained that many persons became eligible for cial security law went into effect monthly old age and survivors insurance benefits when the new social security law went into effect on September 1, 1950. Since the law permits retroactive payments for only six months prior to the month in which a claim for benefits is filed, anyone who became eligible when the new law went into effect had to file application before the end of March 1951 in order not to lose benefits. Consequently, anyone who was eligible in September 1950, and still has not filed a claim, has already lost payments for eight months.

Among those eligible for benefits under the new law are dependent children, widows and parents of deceased veterans of World War II. Also, retired workers who have reached the age of 65 are eligible for monthly payments if they have worked at least 18 months under socialsecurity. If the worker is 75 it is not necessary for him to retire in order to qualify for payments .

Anyone made eligible by the law should file a claim before the end of November to prevent further loss of benefits claims should be filed with the Austin office of the Social Security Administration.

MY new electric range is a real *blessing* any way you look at it! For one thing, I've become a consistently *better* cook since I switched to electric cooking. Everyone in the family says so.

More wonderful still... I spend *less time* in the kitchen. That's because speedy heating units are ready to go at the flick of a switch. Thermostatic temperature controls maintain the *exact* heat required... the kind of accuracy that means delicious results every time! There's no smoke or soot to blacken pans... so clean-up is quick and easy.

Yes, with a modern *electric* range, you can take a permanent holiday from cooking worries and enjoy "thanks"-giving feasts every day!

It's "Sweet" News: Fudge Made With Cream Cheese!

It's the sweetest good news of the year! Just imagine . . . rich, smooth fudge made with cream cheese . . . by a magic-quick mixing method! Confectioner's sugar is very simply blended with a 3 oz. square of fresh cream cheese along with the flavors of your choice. The result? A rich, but not-too-sweet fudge that keeps marvelously, is always perfectly textured, is sheer heaven to bite into! There's no cooking, no candy-making uncertainty to this new fudge recipe. And whether you prefer rich chocolate fudge, cocoanut, almond, or peanut butter flavor, the mild delicacy of fresh cream cheese lends smooth new distinction to our favorite of American confections.

Maple Cream Cheese Fudge

1 3-oz. pkg. cream cheese
2½ cups sifted confectioner's sugar
10 drops maple flavoring
Dash of salt
½ cup chopped pecans

Place the cream cheese in a bowl and cream it until soft and smooth. Slowly blend the sugar into it. Add the flavoring, salt and nuts and mix until well blended. Press into a well greased shallow pan. Place in refrigerator until firm. (about 15 minutes). Cut into squares.

Texas January Call Largest Since April; 1,471 Men Asked For

Austin, Nov. 8.—Texas got the biggest draft call today it has received since April. The call, for delivery in January, is 1,471. It is more than four times as big as the December call of 362, received in early October.

Brig. Gen. Paul L. Wakefield, state Selective director, said the January call was the Texas quota of a national call of 59,650 draftees announced in Washington a few days ago.

"We expected this," General Wakefield commented, "and it finds us ready. We believe calls are likely to get bigger before they get smaller again."

Following are Texas monthly calls for induction since beginning of United Nations fighting in Korea:

1950: September, 2,513; October, 2,514; November, 3,543; December 2,008.

1951: Jauary, 4,142; February, 4,137; March, 4,145; April, 2,075; May, 1,332; June, 521; July, 367; August, 772; September, 619; October, 807; November, 665; December, 362.

1952: January,, 1,471.

This brings to a total of 31,903 the number of men called for from Texas since fighting in Korea began.

Not Too Late For Cover Crops Chairman Announces

Paul C. Graves, chairman of the Milam County PMA committee reminds farmers that it isn't too late to plant winter cover crops.

Paul C. Graves, says there isn't any farmer who lkies to get a crop in late, but experience has taught us that winter cover crops planted as late as December 1 have proven successful. Next year, more than ever before we need to get all the increased production per acre possible out of the crops we will grow. Winter cover crops turned under next spring ahead of our 1952 crops will help us get that increase per acre-s Milam county farmer should be growing about 3 acres of cover crops for every one they are growing now.

Mr. Graves points out that winter cover crops hold the soil in place, add organic matter to the soil, add nitrogen to the soil, and take up the left over fertilizer. On the average a cover crop that costs the farmer about $4.00 per acre will gather nitrogen that would cost about $11 to buy in commercial fertilizer.

If a farmer does not know what cover crops are best adapted to his part of the county he can find out from his county PMA committee office or list county agents.

Local 4-H Club Boys And Girls To Observe National 4-H Week

More than 118,000 Texas 4-H Club boys and girls will join near ly two million other 4-H members of the country in observing National 4-H Club Achievement Week, November 311. Volunteer adult 4-H leaders also will share in recognition activities.

As part of their 4-H program, Texas members join hands with farm youth across the sea is promoting better world understanding. Five Texas 4-H boys and girls have participated in the International Farm Youth Exchange Program since its beginning in 1948.

Two Texas boys—Steve Lilly of Nacogdoches county and Roy Whitaker of Panola county—have recently returned from four months visit to Turkey and Ireland. James W. Strode of Nacodoches county will spend the next few months in Australia.

The 4-H Defense Mobilization Program is another acctivity in which many 4-H club members participate. A 14 point program is being sponsored by 4-H members to promote the defense of the country and its democratic ideals.

Dr. Lilly Roberts of Fort Worth suffered a stroke Wednesday, October 31. She is in the St. Joseph Hospital there. Dr. Roberts is a sister of the late Mrs. A. H. Baskin and Luther Roberts.

Mr. and Mrs. Lester Glass visited Mrs. Barton Smith at Scott and White Hospital Thursday evening. Mrs. Smith is a sister of Mrs. Glass and recently underwent surgery. She is somewhat improved.

Boys Overseas Would Appreciate Cookies For Christmas

Christmas is a time of family gatherings. It is one day in the year when folks travel from far and near for reunions at home. But for American men fighting in Korea there is only the memory of the past and the hope of a future Christmas.

But the loneliness of a Christmas day on a bleak, cold battlefield can be lessened. The way to do it is with a box from home—a box filled with the little delicacies that we enjoy during the holiday. One especially good suggestion, from the Food Editor of the current Good Housekeeping Magazine is a box of home made cookies.

To have your cookie gift box arrive for Christmas, it must be mailed no later than November fifteenth. And to make sure that it arrives in good form—as cookies, not crumbs—here are a few simple instructions from the magazine's Cookie Cookbook.

1. Bake cookies that can stand a few knocks such as soft drop cookies and soft bars and squares.

2. Select a metal or wooden box. Line it with waxed paper. Place cushion of crumpled waxed paper on bottom of box.

3 Wrap cookies, individually, in moisture vapor proof material. For the Christmas touch, wrap them again in a holiday decorated paper.

4. Snugly arrange layer of cookies in straight rows in box. Tuck ready to eat sugar coated cereal or unbuttered popcorn into each nook to prevent cookies from juggling.

5. Repeat snug arrangement until box is filled to within 1-4 inch of top.

6. Add final, generous cushioning layer of waxed or Christmas gift paper. Tape box shut. Wrap box tightly in heavy brown paper; tie securley with cord.

7. Label front and back with address and return address in full. Add "Fragile Handle with Care" stickers.

Your foresighted thoughtfulness can assure your family a home of their own—no matter what happens to you!

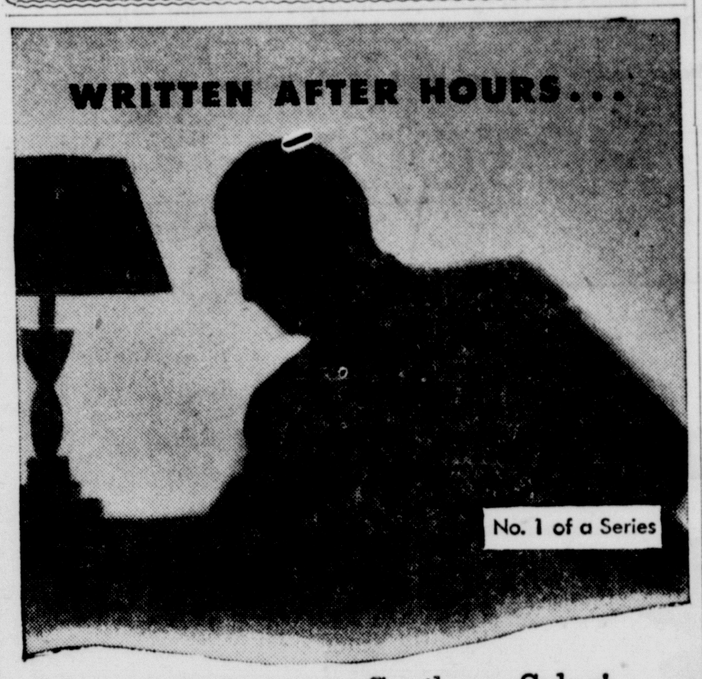
To Armistice Day

"When swords and cannon are made into plowshares, then, blessed day, is the time of Peace." And so we cammemorate Armistice Day, silently praying for all who have bravely gone beyond . . . and dedicating ourselves to the proposition that it shall not happen again. If the eradication of cancer, heart disease and man's other physical ills earn our unanimous support, how much more should we subscribe to and take interest in each activity where the goal is to eradicate war. Armistiec Day - your day of remembrance!

We Salute Our Town!



In brewing Southern Select Beer, we must give first thought to the tastes of our friends in the great Southwest . . .

We know that folks in this part of the country prefer a light, mild, smooth beer without bitterness or harsh after-taste. The new and extensive survey made in this area by a leading research agency proves this preference beyond question.

The same survey reveals that Southern Select Beer is known above all other popular priced beers for this very taste quality. We promise to keep on brewing Southern Select so it's mild and smooth...the way the Southwest wants it!

Health Officer Explains Types Of Rabies

Austin, Texas Nov. 12.—To help combat rabies in Texas the Texas State Department of Health has prepared a twenty page pamphlet entitled Facts About Rabies. According to Dr. Geo. Cox, State Health Officer, this information will be sent to citizens upon request.

In the type of rabies called "furious" the animal is irritable and will snap at nonexistent objects or attack anything in its path. In the excitement stagethe animal is extremely vicious and violent. Paralysis follows this stage, usually affecting the hind legs first Death follows the paralysis in four to seven days after the outbreak of the first symptoms.

In "dumb" rabies the symptoms are drowsiness and paraysis of the lower jaw. To all outward appearances the animal has a bone or some other object lodged in his throat. Such animals do not roam but will strike at movement. They are completely insensitive to pain and will usually fall into a coma and die about three to ten days after the first symptoms appear.

Dr. Cox states that in Texas the dog, fox, cat and skunk are the animals most apt to cause rabies Last year the State Department of Health examined 4,491 heads of 25 different animals for the purpose of rabies diagnosis. Only 1,220 or 27 per cent were found to have had the disease. Of those found rabid there were 868 dogs, 167 fox, 59 cats and 43 skunks. The highest percentage of positive rabies found on examinations are during February, March and April.

Waco Recruiting Station In High Percentage Bracket

The Waco Recruiting Station area of the United States Army and Air Force obtained the highest percentage of voluntary enlistments, relative to population, of any area in the states of Texas and New Mexico during October. This was revealed to Chamber of Commerce officials today by Colonel A. D. Dugan, Commanding Officer of the Southwestern Recruiting District.

In honor of the occasion, local recruiters will be guests at the Chamber of Commerce, November 14 at the Roosevelt Hotel. Mr. Sidney Dobbins, General Manager of the Chamber and Mr. Jack Kultgen, Chairman, of the Chamber's Military Affairs Committee, are in charge of arrangements

Bryan Air Force Men Receive Injuries In Mishap Sunday

Three youn men from the Bryan Air Force Base overturned on Highway 190 in a 1941 Plymouth car, between Maysfield and Cameron Sunday night around 10:30, according to Highway Patrolman, O. D. Lewis.

Lewis said the car driven by John Owen Griffin, apparently went out of control at a high rate of speed and rolled over twice, then crashed into a fence across a bar ditch.

Riding with Griffin were Carl Pighpen and Maurice A. Callahan. All three were hospitalized but were released on Monday, Highway Patrolman, Lewis reported.

The car was heavily damaged.

New Ceiling Prices Governing Meat Issued

New ceiling prices governing new ceiling prices on meat, veal, lamb and mutton have been issued by the Office of Price Stabilization with effective dates of November 13, the Houston District OPS has been advised.

Generally, the new regulations will result in some higher prices paid by consumers or the meats. Exact amount of the changed prices will vary and may result in some reduction, the OPS said.

Under the new regulations dollars and cents ceiling have been set on wholesale lamb, yearling and mutton, and retailers have been given a formula for recalculating their ceiling prices to reflect the higher levels o the new wholesale ceilings.

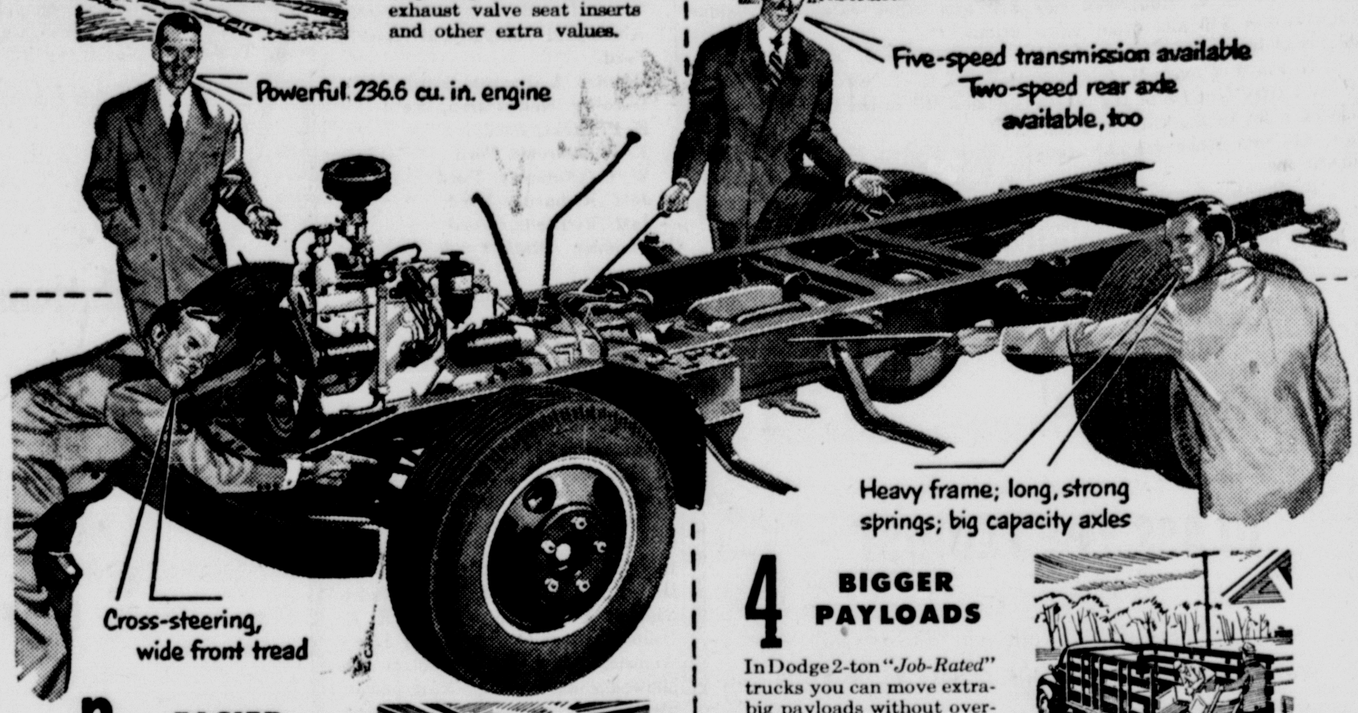
Better performance 4 ways with DODGE 2-TON "Job-Rated" TRUCKS

1 MORE ECONOMICAL POWER

A big, high-compression 236.6-cubic-inch engine developing 109 h.p. You get the right engine for top economy with aluminum pistons, four piston rings (top ring chrome-plated), exhaust valve seat inserts and other extra values.

2 SPEEDIER DELIVERIES

Five-speed transmissions, 2-speed rear axles, and choice of axle ratios give you greater pulling power, faster getaways and higher top speeds. Low loading height and hinged stake center sections help you to save work and time.



Powerful 236.6 cu. in. engine
Five-speed transmission available
Two-speed rear axle available, too
Heavy frame; long, strong springs; big capacity axles
Cross-steering, wide front tread

3 EASIER HANDLING

You can turn sharper, maneuver better and park easier with a Dodge 2-ton "Job-Rated" truck . . . because you get wide front tread, cross-steering (except C.O.E. models), short wheelbase and worm-and-roller steering gears.

4 BIGGER PAYLOADS

In Dodge 2-ton "Job-Rated" trucks you can move extra-big payloads without overloading. That's because a lot more of your load is carried on the front axle. Deep, rugged frame and all-steel body stakes and sills mean extra strength.

THIS 2-TON CHASSIS is engineered to fit your body needs. On wheelbases of 128", 152", 170", and 192", it will accommodate a wide variety of bodies, from 8 ft. to 18½ ft. in length.

Dodge 1½-ton "Job-Rated" trucks provide similar features and advantages to give you better performance on your job.

Annual State Convention Of Farm Bureau Scheduled At Houston

Program arrangements have been completed for the eighteenth annual convention of the Texas Farm Bureau Federation to be held in Houston November 19-21, it has been announced by J. Walter Hammond, Federation president.

Outstanding speakers of national prominence who will address the meeting include Allan B. Kline, President of the American Farm Bureau Federation; U. S. Congressman W. R. (Bob) Poage, vice chairman of the House Agricuture Committee; Mrs. Raymond Sayre, president of the Associated Women of AFBF; Dr. W. G. Kammade, director of extension, College of Agriculture, University of Illinois, and others.

More than a thousand farm and ranch men and women from 200 Texas counties will be in attendance, Hammond said. Voting delegates from the grassroots organizations will officially approve the resolutions that will govern the policies of the Texas Farm Bureau Federation for the coming year.

Monday, November 19, will be devoted to open hearings on resolutions and special commodity conferences and committee meetings.

The program that evening will give recognition to counties that have made outstanding achievements in membership. The convention proper will get underway on Tuesday morning.

The annual banquet and dance will be held that evening, with Dr. Kammlade as guest speaker. The business session on Wednesday, at which time resolutions will be approved, will conclude the three-day session.

Mrs. Charlotte Wiggs Presents Kindergarten Class In Program

Mrs. Charlotte Wiggs and her kindergarten class entertained the parents of pupils recently with an informal program showing what has been accomplished in the past two months.

The entertaining program consisted of songs, folk dances, finger plays and the dramatizion of nursery rhymes, all of which were enjoyed.

The class started with a Mother Goose Unit, followed by Fall Nature Study. The Halloween unit completed the program.

Mrs. Wiggs explained to the parents that the class would take in the near future an Indian Unit, followed by a study of manners and other appropriate Kindergarten studies. They also plan a Pilgrim and Thanksgiving Unit soon.

Sharing and co-operative play is especially stressed in the school.

Low-Down on a high-powered Performer

Let us tell you this:

The Buick pictured here packs more power than you find in any other car of its size and room and price.

That's the power of Buick's newest high-compression valve-in-head eight—the F-263 Fireball Engine, that really gets miles from a gallon of gas.

Add to this the fact that it tips the scales at 3817 pounds curbside—and you begin to see why this big-powered beauty is such a nimble-footed number out on the road.

But that's only Chapter I of the performance story.

There's a big-car feel to the way this trim traveler covers the ground—hugs the curves—holds its course on the straightaway—smothers the bumps with its big soft coil springs on all four wheels.

There's big-car room inside—six-passenger room—headroom, hiproom, shoulderroom, kneeroom, front and back.

Come in, look it over, and we think you'll agree—it's big in everything but price.

And that's where it really shines. If you've shopped around you'll know what we mean when you read the price tags, and what they include in the way of standard equipment that shows up as "extras" on so many others. Such things as an oil filter, air cleaner, vacuum booster, built-in summer ventilation are all yours at no extra charge.

It's hard to believe but it's true. If you can afford a new car, you can afford this Buick at the prices we're quoting today.

Better come in and look this smart buy over.

Equipment, accessories, trim and models are subject to change without notice.
**Standard on ROADMASTER, optional at extra cost on other Series.*

No other car provides all this:

DYNAFLOW DRIVE*—saves strain on driver and car*
***FIREBALL ENGINE**—high-compression, valve-in-head—gets more miles from every tank of fuel*
***PUSH-BAR FOREFRONT**—combines smart style and unsurpassed protection*
***WHITE-GLOW INSTRUMENTS**—assure greater clarity, especially at night*
***TORQUE-TUBE DRIVE**—seals the chassis, steadies ride, improves driving control*
***4-WHEEL COIL SPRINGING**—cushions and levels the ride, saves servicing costs*
***DUAL VENTILATION**—outside air fed separately to right or left of front compartment*
***SELF-ENERGIZING BRAKES**—hydraulic—multiply pedal-pressure five times at brake drum*
***DREAMLINE STYLING**—tapered, car-length fenders, gleaming sweepspears on most models*
***Plus:** Self-locking luggage lid, StepOn parking brake, two-way ignition lock, Safety-Ride rims, Hi-Poised engine mounting, Body by Fisher*

Johnnie Glass, Vernon Baird Married In Church Ceremony

The Full Gospel Church, Cameron, was the setting for the wedding of Miss Johnnie Fay Glass, daughter of Rev. and Mrs. J. H. Glass of Cameron, and Vernon Cue Baird of Wichita Falls.

The groom is the son of Mrs. Cue Baird of Wichita Falls.

Rev. H. M. Bowley, pastor, performed the single ring ceremony before an altar banked with basket of golden mums.

The bride's mother wore a gery suit with red accessories and a red carnation corsage.

Preceeding the ceremony, Mrs. Edison Fikes accompanied Miss Evelyn Whittington who sang, "I Love You Truly." Mrs. Fikes rendered the wedding marches.

The bride, given in marriage by her father, wore a navy suit with pink accessories and carried an arrangement of pink carnations on a white Bible with white satin streamers.

Miss Susie Dell Mathews, maid of honor, wore a grey suit with aqua accessories and a yellow corsage.

Ushers were J. C. Cauthen and Elmo Odom uncles of the bride.

The groom's mother wore a brown suit with a bronze corsage.

The bride is a graduate of Yoe High School and attended Durhams Business College in Austin. The groom is a graduate of the Sharp High School. They will make their home in Wichita Falls where the groom is employed.

Cue Baird, Jr., attended his brother as best man.

Mrs. Giles McDermott Recent Hostess To S. McCalla Chapter

Mrs. Giles McDermott was hostess for the November meeting of the Sarah McCalla Chapter, Daughters of the American Revolution at her home on North Jackson Avenue. Guests from Rogers and Cameron were present.

The regent, Mrs. B. J. Baskin, opened Chapter in Ritualistic form. Salute to the American flag was led by Flag Chairman, Miss Alice McGehee. Conservation Chairman, Mrs. Bertha Brewer, passed report blanks to each member for reports of conservations.

A report was also given by National Defense chairman Mrs. McDermott.

Mrs. Carroll Green Hostess To Three Arts Club

Mrs. Carroll Green was hostess to the Three Arts Club at her home on North Jackson, Thursday afternoon, November 8.

Mrs. Charles Hicks presented the program, "A Season on Broadway,' reviewing the varius stage attractions on Broadway this season.

Mrs. Herbert Colburn, president introduced the guest speaker and presided at the business session.

Guests for the afternoon were Mrs. Hicks and Mrs. Wiley Loughmiller.

Lovely arrangements of chrysanthemums in autumn colors were at vantage points throughout the living room and dining room.

Mrs. John Davis assisted the hostess in serving orange sherbert and date nut rolls. Eighteen members were present.

Mr.. and Mrs. J. J. Kohutek of Temple were recent guests in the A. K. Gurecky home and also visited other relatives while here.

Marie Litzman, Pfc. B. Fitzgerald Marry At Fort Benning, Georgia

Miss Marie Litzman, daughter of Mr and Mrs. Henry Litzman of Burlington, became the bride of PFC. Brownson B. Fitzgerald at the Post Chapel at Fort Benning, Georgia, recently.

The double ring ceremony was performed by Rev. Arthur McConville.

The bride wore a navy dressmakers suit, navy and pink accessories with a pink carnation corsage. She carried out the tradition of something old, new, borrowed and blue. For something old a handkerchief belonging to her motherp something borrowed and blue a pair of blue crystal rosatries of her sister, Mrs. Jerome Schiller.

The couple was attended by Miss Margarette Masher and Thomas J. Hogan.

They are making their home at 2128 Buna Vista Rd. Columbus, Georgia.

The bride is a graduate of Rosebud High School and worked for a number of years at the Milam County PMA office.

PFC. Fitzgerald is the son of Mr. and Mrs. B. B. Fitzgerald of Springer, Texas. He is a graduate of Silsbee High School and is now serving with the 508th Airborne Division, at Fort Benning.

Pleasure, Profit Club Present Entertaining Program Thursday

Highlighting the list of the many attractive programs being enjoyed by the Pleasure and Profit Club for the present year was the one given Thursday, Nov. 8th at the home of Mrs. Guy Chandler.

The vice president, Mrs. Harry Haraway, was in the chair. Mrs. LeRoy Raley led the club in repeat-the Model Prayer.

Mrs. Claude Blackwell, Club Federation Chairman introduced the guest speaker, Mrs. A. J. House of Yoakum, Texas. Mrs. House is well known in Texas Federated Club circles as she is a past president of the Fifth District and is the present State Federation Chairman of Music. She has been a Texas delegate on Good Will tours to Central America, Mexico, Guatamela and only recently returned from a two months tour of Europe where she visited sixteen countries.

Mrs. House presented a challenge to the women working together through the channels of Art, Music, Education and Citizenship as sponsored by the Federated Club women of Texas

Then the members were taken on a world tour of Europe by Mrs. House.

Across the Atlantic ocean by air plane to the first stop, London. The restored parks, the war torn buildings, where the food and clothing is still rationed. During World War II, all, except one of the windows in Westminister Abbey were shattered and England is not able to have this Cathedral cleaned. Great pride was evidenced in the display of the crown jewels.

Norway, Sweden and De nmark each paid its tribute to the Good Will tourists. In Norway they were given a well appointed tea with dainty eatables but the women of Norway did not touch the food. Mrs. House used soap as a tip to the maid.

Switzerland was represented by two lovely watches. From Holland came the traditional wooden shoes. Richly embroidered kid gloves, with pearl trim and costume jewelry from Paris, France. Florence with exquisite glassware; Pisa with its leaning tower; Venice with her striking glondaliers and houses built in water; Rome with the Vatican and leg endary Golden Horse gave us a vivid impression of Italy.

Turkey with its qeerly dressed population was quite interesting. A trip to the Holy Land and Jerusalem with its contrasting New and Old sections was a study and Mrs. House called special attention to the weakened condition of the eyes in this country. A trip on Camel back to view the Pyramids of Egypt caused much merriment. The tour returned to France and thence to Spain. Here they saw Spanish girls doing exquisite embroidery on mantillas without a pattern.

Mrs Chandler offered a refreshment plate of chicken salad, olives, sand tarts and spiced tea. Guests for the meeting included Mrs. David Shapiro, Mrs. H. P. Culpepper, Mrs. Alvin Dusek, Mrs. Robert Foster, Mrs. Adrain Barber of Temple, Mrs. John Mugge and Mrs. A. J. House of Yoakum.

Mrs. J. A. McKinney and Miss Ethel McKinney visited Miss McKinney's sister and family, Rev. and Mrs. W. D. Bosewell of Waco Tuesday and Wednesday of last week.

Miss Gywn Wilson, James Beavers, Jr., Married In Church Ceremony

The wedding of Miss Geneva Gwyn Wilson of Cameron and James William Beavers, Jr., took place Saturday, November 3 at 6:30 P. M. at the First Baptist Church.

Rev. P. A. Corkern read the double ring ceremony.

The altar was decorated with large floor baskets of white mums and yellow pom pons with a background of commodore trees for greenery. Wrought iron candelabra entwined with large white mums and yellow pom pons and commodore fer were also used.

Wedding music was presented by Martin Bridges accompanied by Mrs. Francis Cox at the piano. Selections were the, "Lord's Prayer" and "Because."

Escorted to the altar by her father, the bride wore a ballerina length gown of Chantilly lace and nylon tulle. The gown was fashioned with tight bodice and a jacket of lace which created a sweetheart neckline and the shirred skirt of tulle was enhanced with a lace overskirt. The glove fitted sleeves ended in petal points over the hands. Her julit cap of illusion and satin bands embroidered in seed pearls held a short veil of french illusion. She carried a crescent bouquet of white estereeds nylon lace and orchids.

Mrs. Albert C. Ricks of Houston attended the bride as matron of honor. She wore a ballerina length gown of emerald green velvet and net and carried a bouquet of small yellow mums. Mrs. Wayne L. Adams of Houston was bridesmaid and wore identical dress as that of the Maid of Honor. Mrs. Ricks and Mrs. Adams are sisters of the bride.

Serving the bridegroom as best man was Wayne L. Adams of Houston, brother-in-law of the bride. Groomsman was Clifford Bowden of Gladewater and ushers were Don Kirk and Richard Willett of Houston.

Mrs. Wilson, mother of the bride wore a wine colored dress with black accessories and a white corsage. The bridesgroom's mother chose a gray dress with black accessories and a white corsage.

Immediately after the ceremony a reception was held at the church annex. Members of the house party were: Mrs. Thomas Brashear and Mrs. Gene Mitchan of Cameron, and Mrs. Clifford Bowden of Gladewater.

For travel, the bride chose a wine suit with matching velour hat and black accessories. She wore a large orchid corsage.

Mrs. Beavers, is a graduate of Yoe High School and attended the University of Texas and the University of Houston. She was a member of Pi Delta at University of Houston and a member of Alpa Chi Omega at the University of Texas.

Mr. Beavers, is the son of Mr. and Mrs. J. W Beavers, Sr. of Gladewater. He is a graduate of Baylor University and attended the University of Texas. He was a member of Sigma Phi Epsilon.

Green Circle Meets With Mrs. J. DuBois Monday Afternoon

Mrs. Jack DuBois and Mrs. W. H. Garner were hostesses at a meeting of the Green Circle, Monday afternoon at the home of Mrs. DuBois on East 15th St.

Mrs. Lester Williams was in charge of the program and gave the devotional. She also presided over the business meeting at which time plans were discussed for the making of fruit cakes for the Christmas program.

At the conclusion of the progran cherry tarts and coffee was served to twenty members.

Third Grade Brownies Meet With Leaders Monday Afternoon

The Third Grade Brownies met with their leaders, Mrs. Bob Foster and Mrs. Claude Blackwell, Monday afternoon at three o'clock. For the lack of a regular meeting place, they met at the home of Mrs. Albert Horstmann, across the street from the school.

This one troop of Brownies alone has a membership of 29 and is much too large for two leaders to handle, and much too large to meet in any home. At least two more leaders are needed with this troop.

The crowded condition of the school makes it impossible for troops to meet there and in order for the scouts who ride the buses a meeting place near the school is desired. The scouts will have to be transported via mother's cars to and from the meeting place. The meeting place problem is a big one and if it is not met the girl scout organization faces the threat of failure.

The hut in Wilson Ledbetter Park is too far from the school and the surroundings are not always clean. What are the interested citizens going to do about this situation? Mrs. Harry Haraway or Mrs. David Shaprio are open to any suggestions.

Miss Marilyn Hughes Honored With Party On Ninth Birthday

Miss Marilyn Hughes daughter of Mr. and Mrs. Stanley Hughes celebrated her 9th birthday with a big dinner at the family residence Wednesday evening, November 7.

Little guests enjoying the occasion were: Patricia Wilkinson, Ann Allison Sharon Vick, Helen Reid, Vera Ann Perrin, Diane Du Bois, Lucy Cheeves, Lois Horstmann, JJean Lester, Mary and Betty Kestenbaum, Betty Jo Blackwell, Pam and Bubba Lucas and Dwight Hughes brother of the honoree.

A number of games were enjoyed with the following little girls winning prizes, Betty Kestenbaum, Patricia Wilkinson and Pam Lucas.

Mrs. Hughes was assisted by Mesdames Marvin Ethridge and Mrs Chas. Worchester, grandmother of the honoree in serving the dinner. Birthday cake and ice cream was served for desert.

Blue carnations entwined with pink net formed a beautiful centerpiece for the dining room table. The centerpiece arrangement was a gift to the honoree from Mrs. Marvin Ethridoge.

Marilyn received many nice gifts and thanked everyone in her sweet manner.

Mrs. Henry Tomasek Honors Sister

Mrs. Henry Tomasek of Ad Hall honored her sister, Mrs. Anton Vybiral, Jr., of Dallas with a turkey barbecue Sunday, November 11.

Enjoying the occasion were the honoree and her husband, Anton Vybiral, Jr., of Dallas, Robert Ottmer and family of Sharpe, Anton Vybiral, Sr., and family, Robert and Rudolph Tomasek of Ad Hall.

A delicious barbecue dinner was served and everyone reported a most enjoyable day.

Funeral Services Held For Former Milam County Resident Thursday

Dr. Lilly Roberts, 76, died in a Fort Worth Hospital, Tuesday November 6, 1951.

Dr Roberts recently suffered a stroke and had been a patient at the hospital for the past week.

She came to Milam County with her parents when only six weeks old from Alabama. Her parents were among the earliest settlers in this county. The Roberts family has been prominent in the history of the county.

After completing her high school education she attended several medical schools.

Dr. Roberts was a life long member of the Baptist Church. She was also a member of the Business and Professional Women Club, Rebekah Lodge, and the Tarrant County Medical Association. She had practiced medicine at Fort Worth for the past 39 years. She was a sister of the late Luther Roberts and Mrs. A. H. Baskin, Sr., of Cameron.

Funeral services were scheduled from the Chapel of the Robinson-Mueller-Harper Funeral Home at Fort Worth at 9:30 A. M., Thursday November 8.

Interment in Oak Hill Cemetery with Marek--Burns directing the local arrangements.

Surviving are three sisters: Mrs. John Coleman of Fort Worth, Mrs. Sue Stoneham and Mrs. Tom Hardin of Childress, other relatives surviving are A. H. Baskin, Jr., Mrs. Rosalie Robinson, Mrs. Lola Mae Davis of Cameron, Vernon Roberts of Dallas, Alvin Roberts of Vernon and Ben Baskin of Bryan.

MOLD BUTTER FOR HOLIDAY TABLE

Here's something that puts a holiday touch to the dinner table—butter molded in an old-fashioned butter mold and brought to the table under the dome of a sparkling glass butter dish. If you're one of the lucky ones who has an old butter mold your grandmother used, bring it out. Or treat yourself to a new one—antique or reproduction.

If you've never used a butter mold, you may not know the simple trick of how to keep the butter from sticking to the mold. Here's how it's done: wash the mold, then sprinkle some baking soda on a damp cloth and rub the cloth over the mold. Rinse the soda away and there you have it—a butter mold in perfect shape. Remember this trick for butter paddles, too, and for individual butter-pat molds.

William A. Smith Construction Co., Awarded Contract For Railroad

A contract has been let to the William A. Smith Construction Co., of Houston to prepare railroad trackage on the site of the aluminum smelting plant which is being built by the Aluminum Company of America near Rockdale.

Len B. Neubert, Alcoa construction superintendent for the Rockdale works, made the announcement today.

He added that work will begin about Dec. 1 and that the job will require some four weeks.

Mr. Neubert pointed out that the contract covers only trackage inside the plant area.

It does not, he added, in any way affect the Rockdale, Sandow, and Southern Railroad, a six-mile long line which connects the plant area with the Missouri Pacific between Rockdale and Thorndale.

The contract is the second to be let to Texas firms since the start of construction of the Rockdale works last month.

The other, for grading stripping, and leveling the plant site was let jointly to Cage Brothers of San Antonio and Dean Skinner of Austin.

The grading work is scheduled to be completed during November Mr. Neubert added.

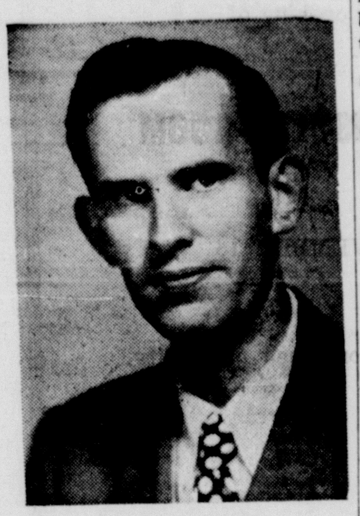
New Minister



REV. HELSETH

Rev. Raymond Helseth, minister at the First Christian Church, recently took over his duties with the local church.

Rev. Helseth is doing graduate work at Texas Christian University at Fort Worth. He pastored the Christian Church at Lancaster prior to his coming to Cameron.

He has preached extensively in the northwestern part of the United States. He is a native of Oregon and has been in Texas for only a short time. During his short time here, he and Mrs. Helseth have made many friends in the city and are looking forward to a successful pastorate with the local church.

The congregation feels very fortunate in getting such an active young minister.

The church plans a fellowship dinner at the church Friday night, November 16, in the basement of the church.

He invites those who do not worship elsewhere to attend services at the First Christian Church.

No chance of fouling up this Thanksgiving Tom for the children of the Texas Scottish Rite Hospital for Crippled Children in Dallas with Diane Canaday, Quitman, and Ray Greathouse, Mobeetie, two of the hospital's star patients, on hand for the roasting.

The Chancellor Commander has issued a proclamation and it is Annual Roll Call and Nomination of Officers night.

The meeting will get underway at 7:30 P M. All Pythians are under summond to attend.

Here is the proclamation:

In obedience to a time-honored custom of forty years we now approach the season which has been graciously received by the membership of the Order, this being the privilege of haying part in making a contribution to the fund which brings cheer at Christmas to the children and widows of the Phythian Home.

This Christmas fund not only provides for those things dear to the hearts of childhood during the Holiday season, but operates thru out the year to take care of small allowances of cash from week to week for each child, makes possible picture shows from time to time, provide music lessons and music. This fund is under direct supervision of Superintendent and Mrs. Hugo Horstman.

It is ordered by the Chancellor Commander that all Pythians be present to answer to their summons.

Mr. and Mrs. H. L. Hillyer had as week end guests their son, LeRoy Hillyer of Dallas and their daughter, Mrs. William McCoy and little daughter, Ruth Ann of Buda. Mrs. McCoy is teaching at Buda near San Marcos while she completes her Master's degree. The occasion for the weekend visit was Mr. Hillyer's 77th birthday which fell on November 10.

Greatest Bibical Love Story Slated For Cameron Theatre

The greatest love story in the world from the greatest book of all time—the Bible—has been glowingly translated to the screen by Darryl F. Zanuck in "David and Bathsheba," which opens Sunday at the Cameron Theatre.

Compellingly produced in Technicolor splendor 'David of Bathsheba" presents two of the screens finest players—George Peck and Susan Hayward—in the epic roles of their long and distinguished acting careers.

Zanuck must have been faced with two paths when planning the picture. The first, and obvious one, was to catch only the surface tensions of this warm and violent story of illicit love between two of the Bible's most colorful personalities. The other was to bring to life the conflict and vibrancy of the complex characters whose torrid liaison brought them to the brink of degradation.

With a sure hand Zanuck sent his director, Henry King, down the road of most resistance, and achieved a rare moment in film making, at once mature, romantic, spectacular, yet profound in the delineation of passionate natures struggling against the burden of convention.

David, King of all Israel, is secretly disturbed by his low upbringing and antecedents. Mocked by his first wife, Michal, daughter of King Saul, his benefactor, David is torn by domestic difficulties and the struggles against the nations besetting his country.

When he sees Bathsheba, the wife of Uriah, bathing on her rooftop, a new and passionate interest enters his life. From their unsanctified love affair comes moments of rare beauty and understanding, but the people of Israel silently fear the wrath of God which must visit them. When David sends Uriah to his death in order to marry Bathsheba, the sin is complete. Famine and pestilence are visited on the Israelites while David, losing all care for his people, broods on his fate. When Bathsheba's first born dies, in desperation David goes to the holy Ark of the Covenant to pray to God for redemption.

Here, as he voices his sins, his youth passes before him. First, the anointing of Samuel, then the spectactular victory over the giant Goliath as the boy David faces the champion of the Philistines unafraid. Purged of his sins, strong in the knowledge of God's forgiveness, David returns to Bathsheba who has been saved from stoning by the intervention of the Lord.

The play of forces within and without, the spectacle of God's wrath as it is imposed on the illfated pair, the transcending love affair of David and Bathsheba have been joined in a magnificent and spectacular study of primitive human emotions. Peck has never appeared as virile and forceful as he does as the warrior king of Israel. Susan Hayward's Bathsheba is finely drawn study of a woman torn between her marriage vows and the urge to join her life and love with the man David.

Fellowship Class Scheduled Party

The Fellowship Class at the First Presbyterian Church will have a Thanksgiving party in the basement at the church Friday night, November 16, beginning at 7, according to Mrs. John Davis, president.

Mrs. Hugh Smith and Mrs. Ladis Marek will be hostess for the affair.

Mrs. Stanley Swift Hostess To History Club

Mrs. Stanley Swift was hostess to the History Club Tuesday at her home in Green Addition with a good number in attendance.

Members answered roll call with a contemporary personality of Europe. Miss Winnie Henderson was in charge of the program and presented Mrs. Chas. Hicks, who gave an interesting talk on current plays on Broadway.

Mrs. Swift used arrangements of bronze mums and potted plants for decorating the living room. The dining table held an arrangement of chrysanthmums in a silver bowl.

Mrs. S. A. Cottle presided at the tea servicce. Mrs. Eber Flinn served angel food cake topped with fresh coconut.

The next meeting will be held at the home of Miss Catherine Flinn with Mrs. Lula Gillis in charge of the program

MAREK-BURNS FUNERAL HOME

Texas Top Ranking 4-H'ers

Patsy Harris — Joyce Weber — Virgie McCarley — Ray Riley

TRIPS to the 30th National 4-H Club Congress in Chicago were given four Lone Star State club members for their outstanding records in the 1951 National 4-H Canning, Field Crops, Garden and Girls' Record programs. The state winners and brief outlines of their records follow:

Better methods of doing everyday homemaking skills proved to be a challenge to Patsy Harris, 16, of Plainview. Her selection as state winner in the 4-H Girls' Record program proves that this versatile young miss is a first-rate housekeeper and manager. Patsy has been in club work seven years and has completed 30 projects, among which are poultry, clothing, canning and home improvement. Her record shows 59 garments made, 2,588 jars of food canned, 630 chickens raised, as well as meal preparation and gardening. One of her favorite projects was the refinishing and upholstering of six pieces of furniture for her bedroom. She is active in all community activities, speaking before groups and on the local radio station and gives generously of her musical talents throughout the county. Montgomery Ward provided Patsy's trip award.

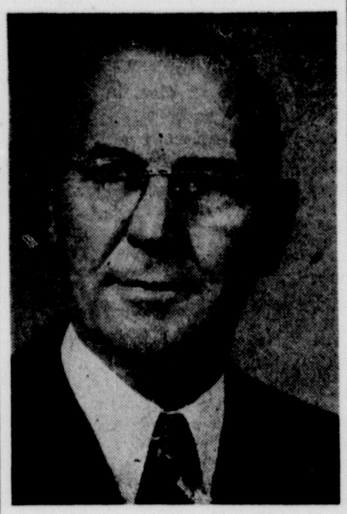
Growing a garden has served a three-fold purpose for Joyce Weber, 16, of Victoria, state winner in the 4-H Garden program. Joyce has supplied the family with a variety of fresh vegetables, reduced the cash outlay for food, at the same time promoting relaxation and good health. Her trip award was presented by Allis-Chalmers. During the four years she has carried gardening she has raised 3,265 pounds of food, canning 887 jars of it. She has also been in clothing for the seven years of her 4-H Club work and taught crafts not only to club girls but to adults as well. Mrs. Fonda Graham, county agent, says that Joyce is known throughout her community as a gracious hostess and for her winning smile.

For making an outstanding record in her food preservation project Virgie McCarley, 18, of Quitman, was named State champion in the 4-H Canning Achievement program. Experimenting with new ideas, she has broadened her knowledge of better homemaking methods through her 4-H art. Home canning also has made it easy to follow the nutrition yardstick and keep the budget low. During seven years in club work, she has canned 471 quarts of food; also made 95 garments, improved 24 bedroom articles, and carried a landscaping project for five years. Two years ago she entered East Texas State Teachers College but still carries 4-H demonstrations on canning and clothing and continues active in church work. Kerr Glass furnished funds for Virgie's trip to Chicago.

Utilizing improved field crop methods has earned state honors for Ray Riley, 16, of Hart, in the 4-H Field Crops program. Long hours and much effort went into learning good farm practices and expert use of farm machinery, but the increase per acre production of food, feed and fibre crops has more than compensated. Seven years in 4-H work, and much individual research and experiment, particularly in the field of seed selection, has brought Ray the title of the youngest licensed certified seed breeder in the State. He has completed 56 projects, is an outstanding leader and has trained judging teams for the last three years. A total of 230 acres in field crops has yielded him an average of $83 an acre. International Harvester provided Ray's Chicago trip award.

All of these activities are conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

Warren E. Starnes, Takes Over Duties At Local Church



WARREN E. STARNES

Warren E. Starnes, evangelist, has accepted a call as minister of the North Central Church of Christ.

Starnes began his duties at the church November 1, and has made many friends in the city during the short period he and Mrs. Starnes have been here.

He has done evangelistic work in nine states and has been in the ministry for a number of years. Among the churches he has pastored are Central Church of Christ, Houston, Oak Cliff Church in Dallas and the Harry Irving Church at San Angelo.

Starnes was minister at the Mart Church prior to his coming to Cameron. The church is looking forward to an active and strong program under the leadership of their new minister.

THE REAL TRUTH

Parents rather than teachers "bend the twig" in education of children on moral issues. Mrs Lloyd Taylor professor of psychology in a Texas college told a parent-teacher association recently: "A child's mother and father," she said, "must bear the responsibility of seeing the example of honesty and all good traits. The child will unconsciously imitate them."

Mr. and Mrs. L. G. Smith and Mr. and Mrs. Donald Glass attended the A&M-SMU game at College Station Saturday.

Mr. and Mrs. Ivey Angell and Mr. and Mrs. Dave Angell were week end guests of Mr. and Mrs. John Steel.

Mrs. Roma Baskin and son, Gary of Houston, visited in the home of Mr. and Mrs. C. B. Baskin over the weekend. They also visited in the home of Mr. and Mrs. Leroy Wheeler of Cameron.

Mr. and Mrs. Lester Glass made a business trip to Temple Sunday and also visited Mrs. Barton Smith at Scott and White Hospital.

Texas Agricultural Experiment Station research workers are now dev eloping strains of cotton that are resistant to bacterial blight.

Congratulations!

The Yoelets To Meet Taylor 'B" Team At Taylor Friday Night

According to Coach Don Ross, the Yoelets will meet the Taylor "B" team on the Taylor Athletic Field, Friday night, November 16.

Game time has been set for 7:30.

A game was scheduled with the Taylor team earlier in the season but was cancelled due to a flu epidemic among the Taylor players.

The Cameron "B" team recently defeated the Belton team by a score of 19-2 and are looking forward to a good battle with the Ducklings

The boys are in good shape, the coach added

Mrs. Jane Cook of Houston is visiting in the home of Mr. and Mrs. Ed Gunn this week, and also Johnny Cook.

Judge and Mrs. Ed. Gunn had as their week end guests Mr. and Mrs E C Gunn and children, Beverly and June of San Marcos, and Mrs Earl Fitzgerald, Billy and Mary Ann also of San Marcos

Mrs. Leo Stecher and Miss Bessie Marak visited relatives and friends in Dallas this week.
